Lifting people out of poverty, disease and illiteracy across the globe

The ATLAS Foundation was founded by Jason Leonard and other rugby and corporate heavy-weights to bring support to people around the world through the power of the game. It works to improve people's lives regardless of age, gender, sexuality, race or religion.

The ATLAS Foundation has a global network of Rugby Champions to support grassroots projects that use rugby to improve the lives of some of the poorest people on earth.

Book before Friday 27th April 2018 & receive a 10% Early Bird Discount.
