Dinner – 8.00pm
BALLROOM

Carriages – 12.00am

The Lyla Nsouli Foundation was set up to find a cure for Paediatric Brain Cancer after Lyla Nsouli was diagnosed with an inoperable, incurable form called Diffuse Intrinsic Pontine Glioma (DIPG). The Foundation aims to fund ongoing and future research projects to improve the prognosis of children with brain cancer and to make a significant impact on the pace of research towards finding a cure.

Tables of 10 people
