FOUNDATION

The Jonny Wilkinson Foundation gives life changing support to the members of our community who need it most. We are supporting institutions that through their work, enable groups of people and individuals to face huge challenges

The primary objective of the Princess Charlene of Monaco Foundation is to save lives by fighting against drowning. Its missions are to raise public awareness about the dangers of water, teach children preventive measures, and teach them to swim.

The Foundation also sees to the transmission of the values of sport through its rugby programme.
